

January 9, 2009

Dear Green Cay Village Resident,

Please tell us how we are doing and what ideas you have for making Green Cay Village an even safer and better place to live.

You can do this by taking the online survey at www.GreenCayVillageNews.com
Look for the link that says "Survey" on the home page.

Or you can take the survey on the back of this page and give it to Tammy or Emily in the Property Managers Office. Or send it to;

Property Manager for Green Cay Village
12575 Green Cay Farms Blvd.
Boynton Beach Florida, 33437
Fax: 561-638-2738

When the survey is complete, we will summarize the results and our action plans on the Developer's web page of the Green Cay Village News web site.

We look forward to hearing from you and toward making Green Cay Village an even safer and better place to live.

Thank you,

Jerry Goray
