RE: Trash Compactor

To All Residents

Our office is receiving numerous complaints of residents taking their trash over to the condo's compactor and placing it in the recycling bins. The trash compactor for the apartments is located at the front of the community by building 1A. This is the only compactor you are to be using. Please adhere to the following:

- 1) Trash to be taken out by person's over 18 years old only
- 2) Use the compactor by building 1A ONLY
- 3) Trash must go inside the compactor.

If you have any questions or concerns please contact the office at 561-499-5544.

Sincerely,

Bobbi Coreano
