Dear Resident(s)

By now you are no doubt aware of some of the measures being taken at Green Cay Village after the recent incident.

One of these measures requires ALL residents to register their vehicle(s) with the office. You will be issued with a parking permit, to be placed on the REAR of your vehicle. You are also required to register ALL guests with the office. There will be continual patrols through the parking areas. Any vehicle not displaying a permit, or which have not been registered with the office, will be subject to towing at the vehicle owner's expense.

This effort is merely to keep better track of any persons who are not entitled to be on property.

The deadline for all residents to obtain their permits from the office is July 11, 2008. After that date unregistered vehicles will be subject to towing.

We thank you for your cooperation in our continued effort to make Green Cay Village Rental Apartments a place everyone is proud to call "home".

If you have any questions please feel free to contact the office.

Sincerely,

Susan Cain
